

Serving with Faith and Love

5th February 2018

Kia Ora, Kia Orana, Talofa, Malo e lelei, Namaste, Bula, Malo ni, Makadini, Annyoung, Witamy, Welcome,

Week two begins and there are a few administration notices for everyone.

Attached to this letter we have a few forms for everyone to complete. These forms are very important as they concern permission from you, as parents and caregivers, to be assured that we will look after your children when they are in our care.

Very important are contact details. These quite frequently change, and, from experience, sometimes it is very hard to contact parents and caregivers when the address we have on file has been changed or phone numbers, emails, etc. and the office has not been told. Please spend the extra few minutes to complete all the forms, even if you feel that we already have the information. I thank you in advance.

OPENING MASS

This Thursday, 8th at 9.00am, we welcome everyone to join us at our opening mass. Our children would love your support and it is a nice time to meet some of our new parents.

WHANAU INFORMATION AFTERNOON

Also on Thursday 8th we have an information afternoon for all parents and caregivers starting at 3.15pm in Room 5. This is a chance for new parents as well as existing parents to have an insight to where the school is heading. We shall introduce our teachers and their roles in their classrooms, our new staff, our new Science programme, Tuakana Teina and other exciting changes.

STATIONERY

Stationery is now available from the school. The total costs are below. The costs include PR1ME maths books, photocopying, classroom stationery, RE digital resource.

As a school we have negotiated a very good discount price from our supplier for the stationery and we ask parents not to buy separate stationery as the boxes we have are all prepacked.

As soon as these are paid for they will go into the classroom for the teacher to distribute.

Year 0/1	\$64.00	Year 2	\$63.10
Years 3 & 4	\$63.50	Years 5-8	\$69.00

UNIFORM

Uniforms, with the school logo, can **ONLY** be purchased now from the school. All summer and winter shirts need our school logo as well as the jumpers and jackets. Please do not purchase blouses or shirts from The Warehouse as they no longer hold our school uniform. We also have the girl's skirts in stock.

Boys shorts and trousers as well as PE shorts and shirts can be purchased from any other store as they do not need our logo. The PE shorts are to be black and the PE shirts can be either light blue polo shirts or light blue t-shirts.

The sandals are to be black. Any style is allowed as long as there is no other colour or logo on the sandals.

AFTER SCHOOL CARE

Afterschool care is available and will start in Room 10 every day from 3.15 – 5.20pm Monday to Friday, \$3.00 per session. This will start on Wednesday 7th February.

TEA TOWELS

Please support our tea towel sales. If you missed out last year then you still have a chance to buy them. We have a few left so please ask at the office. They are available for \$15.00 each or 2 for \$20.00.
